Top 10 Impact Charities

 Charity Intelligence Canada

Against Malaria Foundation

A global UK-based charity with its Canadian branch raising funds to buy mosquito nets for US\$2. These nets are distributed through partners in Papua New Guinea, Togo and Zambia. Mosquito nets help prevent malaria and other mosquito borne diseases, saving lives.

Aunt Leah's Place

Aunt Leah's Place, based in New Westminister BC, helps foster kids who age out of the foster system to transition successfully. This means helping women avoid losing custody of their children, securing safe housing and continuing their education.

Canadian Feed the Children

Canadian Feed the Children works to help people with food security and education programs. It works primarily in Bolivia, Ethiopia, Ghana, Uganda, and in Indigenous communities in Canada, serving over 200,000 people in F2019.

Canadian Foodgrains Bank

Canadian Foodgrains Bank tackles food insecurity by providing food for people around the world who are hungry due to emergency crisis situations like war, droughts, or floods. It also provides training and assistance for farmers to increase yields.

Doctors Without Borders

Doctors Without Borders delivers life-saving medical assistance in countries around the world that are torn apart by war, disease, and natural disasters. It provides vaccines, medical interventions, surgeries and medical treatments.

East York Learning Experience

East York Learning is a tiny charity having big impact. It improves adult literacy and helps bridge language gaps for Toronto's new immigrants. Year after year, this is a high-impact charity along with some of the biggest charities in Canada.

Providing Solutions That Restore Lives

Fresh Start Recovery Centre

Fresh Start Recovery, based in Calgary, works with men who are alcoholics or are addicted to drugs, helping them return to healthy, happy and productive lives. Its success rate of 60% is one of the highest across the country.

Lifewater Canada

Lifewater, based in Thunder Bay ON, provides affordable water and sanitation in Haiti, Liberia, Kenya, and Nigeria. Lifewater reports helping over 58,000 people receive water and sanitation by building 114 wells and other water projects and training in 2018.

Jump Math

JUMP Math helps students from kindergarten to grade 8 across Canada to learn and improve their math skills. Based on a different way of learning, its program helps both students and teachers improve their confidence and performance with reducing anxiety caused by math.

Operation Eyesight Universal

Operation Eyesight Universal provides eyecare for people in developing countries to prevent blindness and restore vision. Operation Eyesight provided glasses, cataract and other surgeries, as well as drug programs to help eliminate avoidable blindness to people in India, Nepal, Kenya, Ghana, and Zambia.
