**Aga Khan Foundation Canada asks that donors who want this information, please contact Aga Khan Development Network in Geneva Switzerland via email [info@akdn.org](mailto:info@akdn.org)**

Additional context:

Since 2011, Aga Khan Foundation Canada is deliberating on whether to post its audited financial statements on its website, see Toronto Star "[Audit of charities encounters resistance](#)", November 15, 2011

Currently, 92% of Canada's Major charities post their audited financial statements for multiple years on their website. Aga Khan Foundation does not.

The 1993 Donor Bill of Rights Article 3 states that all donors have the right to receive the most recent financial statements.
