INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Board of Directors of **ALBERTA WILDERNESS ASSOCIATION**

We have reviewed the accompanying financial statements of Alberta Wilderness Association that comprise the statement of financial position as at July 31, 2020, and the statements of operations and changes in fund balances, and cash flows for the year then ended, as well as a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on the financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Alberta Wilderness Association as at July 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

FOR THE YEAR ENDED JULY 31, 2020

NATURE OF OPERATIONS

Alberta Wilderness Association is a not-for-profit organization registered under The Societies Act of Alberta. The association is a registered charity under the Income Tax Act and is exempt from income taxes under paragraph 149(1)(f). The purpose of the organization is to promote and encourage the creation of additional wildland recreation areas in the Province of Alberta in an attempt to preserve their natural and present state. It also initiates and encourages educational efforts which promote an understanding and appreciation of wildland ethics and wildland resource uses. The organization has an office in Calgary, which houses the Alberta Wilderness Resource Centre, the province's most comprehensive archive of reference materials on wilderness and conservation in Alberta.

Alberta Wilderness Association achieves its mission through conservation, education, stewardship and advocacy, and is supported through volunteers, member and donor programs and fundraising that includes grants, events and a planned giving legacy program.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The organization's significant accounting policies are as follows:

a) **Marketable Securities**

Marketable securities are comprised of publicly traded securities and are accounted for at fair value using the latest closing price at the balance sheet date. Transaction costs and changes in fair value are recognized in income in the period incurred.

b) **Fund Accounting**

The organization follows the restricted fund method of accounting for contributions. The general fund accounts for the organization's operating and administrative activities including unrestricted contributions and grants. The restricted fund reports only restricted resources that are to be used for specific purposes.

c) **Revenue recognition**

Unrestricted contributions are recognized as revenue of the general fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions are recognized as revenue of the appropriate restricted fund when received.

Investment income is recorded on an accrual basis.

d) **Contributed services**

Volunteer services contributed on behalf of the organization in carrying out its operating activities are not recognized in these financial statements due to the difficulty of determining the fair value.

e) **Land and building**

Land and building are recorded at cost. Amortization for the building is calculated using the straight line method at ten percent per year.

f) **Use of estimates**

The preparation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. Actual results may differ from estimates in these financial statements. Significant estimates include, but are not limited to, the estimated useful life of the building.

FOR THE YEAR ENDED JULY 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

g) Financial instruments

The organization initially records a financial instrument at its fair value.

The organization recognizes its transaction costs in net income in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Subsequently, the organization measures financial instruments as follows:

- investments in equity instruments that are quoted in an active market at fair value;
- all other financial assets, which include cash and cash equivalents, term deposits and accounts receivable, at amortized cost; and
- all financial liabilities, which include accounts payable and accrued, at amortized cost.

h) Tangible equipment

The organization expenses the cost of all equipment as it is purchased, as the amounts involved are not material. No tangible equipment was purchased during the year.

11. SUBSEQUENT EVENT

Subsequent to year end, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic downturn.

The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the organization for future periods.
